

DATA SHEET LU-360

LU-360

Description:

Access your data more comfortably!

With this smart 3,5" USB 2.0 external HDD Box you can take your data wherever you want. On every Mac or PC with USB Connector and at least Windows 98 you can access your data. It's also a good solution to upgrade your notebook's free space with a less expensive 3,5" HDD.

Technical data:

- 3,5" IDE storage rack
- USB 2.0
- Aluminium case
- Cypress chipset
